Uniontown, OH | (330) 814-6599 | [dalejmitchell@icloud.com](mailto:dalejmitchell@icloud.com) | [LinkedIn](#)

## PROFILE

---

Results-driven Software Developer with a comprehensive skill set acquired through a rigorous software development bootcamp and hands-on project experience. Proficient in C#, .NET, Java, JavaScript, Vue.js, HTML/CSS, SQL, and various development methodologies including Test Driven Development (TDD) and Agile (Scrum). I am skilled in Object-Oriented Programming (OOP), JSON, REST APIs, responsive design, relational databases, and version control with Git and GitHub. Combining a strong technical foundation with skills in troubleshooting, customer service, and problem-solving, I am poised to contribute to innovative projects and deliver high-quality software solutions. I'm looking for an opportunity to work for a company that is as passionate about development as I am.

## TECHNICAL INVENTORY

---

C# • .NET • Java • JavaScript • Vue.js • HTML • CSS • SQL • SQL Server • Test Driven Development (TDD) • Agile (Scrum) • Object Oriented Programming (OOP) • JSON • REST APIs • Responsive Design / Mobile • Relational Databases • Source Control / GitHub • ASP.NET • Dependency Injection

## SOFTWARE DEVELOPMENT EXPERIENCE/PROJECTS

---

[github.com/DaleJMitchell](https://github.com/DaleJMitchell)

**Agave Atlas:** Created a website designed to help users find their favorite margarita from various restaurants in their chosen city

C#, .NET, SQL, DOA, Vue.js, Yelp & NOAA APIs, Git, Github, GitBash, OOP, Visual Studio

**PetElevator:** Created a vending machine app that allows users to input money, dispense an item, and check inventory

C#, Git, Github, GitBash, OOP, Visual Studio

**TEnmo:** Created a mock version of a Venmo style app

C#, SQL, DAO, Rest API, Git, Github, GitBash, OOP, Visual Studio

## EDUCATION & TRAINING

---

**Tech Elevator – C# .NET, Cleveland, OH**

**January 2023 – April 2023**

Attended a 14-week full-stack coding bootcamp where I learned how to create dynamic web-based software systems using C# providing 800+ hours of development education and application.

## PROFESSIONAL EXPERIENCE (WORK HISTORY)

---

**Commercial HVAC Repair Journeyman**

**2017 – 2023**

**White Mechanical, LLC | Alliance, Ohio**

- Tested, troubleshot, and repaired systems by identifying malfunctions, and replacing parts/components. Read diagrams, specifications, drawings, blueprints, and schematics
- Participated in numerous professional development activities to update knowledge and increase service/repair capabilities
- Traveled extensively throughout the assigned region to assess customer service needs; repaired/installed appropriate components
- Replaced electrical motors, compressors, and HVAC systems up to [208/230, 277, 480] volts
- Installed auxiliary components to heating-cooling systems, including expansion valves, air ducts, pipes, blowers, dampers, and flues

**Cable Install & Repair Technician**

**2012 – 2017**

**Spectrum | Canton, Ohio**

- Traveled to customer sites to inspect the equipment, discuss their concerns, independently diagnose service issues, and construct innovative solutions
- Cable/Phone/Internet installations and disconnects; configured systems to standard, educated users about company products/equipment, and juggled scheduling demands
